LifeMoves
Annual Report 2018 - 2019

OUR MISSION

at LifeMoves is to support families and individuals experiencing homelessness in their efforts to rapidly return to stable housing and achieve self-sufficiency.

In 2019, we continued to expand our reach and strengthen our ability to help the most vulnerable members of our community with new shelters; data-driven, effective programs; and expanded services.

We could not accomplish these great feats without you—our public and private partners. Your generous contributions of time, expertise, in-kind donations, and financial support continue to motivate us. With your support, LifeMoves is helping our most vulnerable neighbors achieve great outcomes.

Last year, we served over 9,350 homeless individuals and families, providing more than 244,000 nights of safe, welcoming shelter.

We know that the LifeMoves model works: In 2019, 86% of families in our shelters and 68% of all those engaging in our programs returned to stable housing. Working together, we can defeat our local homelessness crisis. Your loyal support makes it all possible.

Warm regards,

Bruce Ives
Chief Executive Officer

LIFEMOVES AT A GLANCE

A PROVEN PROGRAM MODEL

Breaking the cycle of homelessness

with complete supportive services.

Our programs are tailored to serve the specific needs of our diverse clientele—from individuals to families, from Veterans to the LGBTQ+ community. Every client is unique, and our individualized case management is the key to our successful model.

MEASURING SUCCESS

86% of families in shelters and **68%** of all clients engaging in LifeMoves shelter programs secure stable housing and achieve self-sufficiency.

We're proud of our numbers here at LifeMoves, but we never forget that our clients, like Nick and his family, are more than numbers. They are our neighbors.

17 locations from Daly City to San Jose

Commitment to Our Community

“The LifeMoves staff is like my second family—they are very supportive. They really want you to be productive every day, which is so motivating to getting my life back on track.”

— CHRIS

HousingMoves

Returning our clients to self-supported, stable housing is at the core of our mission and providing safe, clean, interim shelter while our clients work towards stability is a critical piece of our model.

LifeMoves served over 9,350 people last year, providing over 244,000 nights of shelter.

Every night, children filled one-third of our beds. Those children, their parents, and all our single adult clients received support from LifeMoves services and programs, designed to pave the way to long-term self-sufficiency. Through HousingMoves, 86% of families and 68% of all clients engaging in our shelter programs exited to safe, stable housing.

Uplifting Our Neighbors

“This place is so wonderful. They really, truly care about me and everybody living here. We all need resources—we need housing, we need money, but what we do have at LifeMoves is these wonderful people actually caring for you and having your back. For somebody like me, it’s for the first time in my life.”

— TATIANA

FinancialMoves

Our clients often come to us with insufficient income, no savings, and few belongings. FinancialMoves programs support our clients in overcoming these challenges with skills training to save and manage their money. Clients participate in group workshops and individual coaching sessions **designed to teach key skills including budgeting, building/repairing credit, how to save, and wise borrowing strategies.** FinancialMoves helps homeless adults learn to make informed financial decisions that enable them to regain self-sufficiency and lasting financial stability.

CareerMoves

With the Bay Area’s high cost of living, even LifeMoves clients who are employed are often left unable to afford a place to live. **CareerMoves provides employment search support, interview preparation coaching, and resume development assistance** to uplift our clients from under or unemployment to becoming gainfully employed. With a steady income and regained confidence, our clients can confidently move from our shelters into their own homes.

Together, Building a Brighter Tomorrow

HealthMoves

LifeMoves prioritizes health and wellness—often overlooked when working to satisfy urgent safety and shelter needs—with our HealthMoves programs. We partner with numerous food providers to ensure that our clients receive fresh produce and nutritious meals every single day. **To further support healthy habits, our HealthMoves program provide clients with workshops on wellness and nutrition, parenting, and smoking cessation.** We also continue to provide medical support from licensed vocational nurses and medical respite care. Last year, we also launched partnerships with local hospitals to ensure no patient would be discharged into homelessness and would instead receive the care they need in their medically vulnerable state.

“Just the word LifeMoves is so perfectly indicative of what this organization has done for us. I’m so very grateful for the opportunity we’ve gotten here. My case manager is amazing—he couldn’t be better.”

— DANNY

Creating Safe, Healthy Environments

“It’s hard to live in this world unless you have a lot of strength. All of my experiences, especially my time at LifeMoves are doing nothing but making me stronger every day.”

— RIN

BehavioralMoves

Behavioral health services are crucial to helping our clients address trauma, stabilize their lives, and regain self-sufficiency. **BehavioralMoves provides clients access to essential services including addiction and recovery support services, free and on-site mental health assessments, children’s therapy sessions, and one-on-one and group therapy** supervised by a licensed psychologist. Last year, we implemented systematic data analytics programs to optimize our BehavioralMoves programs to ensure the best outcomes for our clients.

LearningMoves

With one-third of our beds filled with children, we expanded our LearningMoves programs to provide each child with fun, educational, and life-skills workshops. **Our programs include homework assistance, tutoring, and STEAM (Science, Technology, Engineering, Arts, and Math) education.** Last summer, all children at LifeMoves participated in our seven-week Summer Adventure Camp, an opportunity to play, learn, and thrive with activities like arts and crafts, cooking, horseback riding, and field trips across the Bay Area.

Innovating for Today and Tomorrow

InnovatingMoves

The homelessness crisis in the Bay Area continues to grow and evolve as an increasing number of our neighbors' incomes do not meet the threshold required to afford living here—a direct result of the limited housing availability combined with a soaring cost of living. As we learn more about the population we serve, our client-centric model remains at the forefront of our work. To address these rapidly changing needs, last year, LifeMoves introduced innovative, evidence-based programs to better serve our clients, wherever they are. New programs include:

New Haven Inn: Only the second of its kind in the United States, New Haven Inn is an LGBTQ+ shelter that is tailored to protect and provide for the specific needs of the LGBTQ+ community. With almost one-third of the homeless population in Santa Clara County identifying as LGBTQ+, New Haven Inn provides essential resources, including a safe and welcoming environment for members of the often underserved LGBTQ+ community to thrive.

Safe Parking Sites: LifeMoves opened multiple Safe Parking Sites that provide food, case management, and safety to the growing population living in their cars. Through Safe Parking, clients are able to sleep in a secure environment and also access LifeMoves supportive services to help them return to stable housing.

Motel Voucher Program: To better serve families in San Jose, LifeMoves launched a Motel Voucher Program that allows families living in their cars to transition to local motels. The Motel Voucher Program provides safe, stable shelter while allowing the families to engage in LifeMoves case management and supportive services.

Make a Financial Contribution

Your gift ensures that we can continue to provide housing and supportive services to thousands of homeless children and adults.

Ask Your Employer to Match Gifts

Many companies offer matching donations to double the impact of your gift. Some employers will even match your volunteer time!

Include LifeMoves in Your Estate Plan
