

Winter & Spring 2021 Corporate Volunteer Opportunities

- **Join us for a virtual event!** Take a deep dive into one aspect of LifeMoves and give back virtually. Learn how you and your team can support homeless clients throughout the winter. See details in the “When Joining Us Section...” below.
- **Donate to our Winter Community Resilience Fund or Start an Office Fundraiser:** Unite your colleagues around our mission of ending homelessness in the Bay Area! Easy as 1-2-3: 1: Create a page, 2: Set a goal, 3: Share it with your network. Visit [here](#) or contact us to get started.
- **Gather and Game for LifeMoves!** Host a game night—or day—fundraiser. Play familiar games like scavenger hunts and trivia to learn more about local issues, use apps like Jackbox and Houseparty to build up your (work) squad goals, or live stream on Twitch on behalf of LifeMoves. Contact us and we’ll explain how to donate and play games.

When Joining Us for a Virtual Event, you can...

- **Focus on a population.** Deep dive into a specific area(s) by hosting a virtual learning session. We package video and first-hand experts together to create an interactive session that will educate and inspire.

Deep dive into:

- Feeding 2,000 clients 3 times a day (Meal Program)
 - Partnering with the State of CA Project Homekey
 - Veteran’s Services
 - Family and Children’s Services
 - Women’s Services
 - LGBTQ+ Welcoming Shelter
 - Education Programs
 - Employment and Housing Programs
 - Safe & Supportive Parking Programs
- **Give Back Virtually.** We’ll pop into your team meeting or party and provide a LifeMoves overview, while remotely instructing your team on how to:
 - make a no-sew fleece blanket
 - decorate and assemble snack bags and other kits
 - decorate home-made cards
 - **Host a Linen Drive.** Interim housing means we are always in need of new linens. Visit [here](#) to support our ongoing linen drive.
 - **Choose a Winter Theme.** Celebrate Black History Month, International Women’s Day, the Presidents’ Birthdays, Cesar Chavez’s Birthday, as well as other noteworthy celebrations like Pi (π) Day or World Water Day. We’ll help you choose a theme and incorporate it into your event.
