

Corporate Volunteer Opportunities Summer 2021

Volunteer Virtually! We'll pop into your team meeting or party and provide a LifeMoves overview while remotely instructing your team on how to:

- Make a no-sew fleece blanket for our individual and family clients in shelters
- Assemble nutritious, healthy snack bags for children and young adults in our programs

Give to the Back-2-School Backpack Drive! Help homeless children start the school year off right! Your donation of backpacks and school supplies will prepare children staying at our sites for the upcoming school year. Find more information [here](#).

Feed a Shelter with a Summer Twist! Pride Month, the First Day of Summer, the Fourth of July, or even National Avocado Day. Celebrate with a cause by sponsoring a themed meal at one of our shelters. Find more information on our Meal Program [here](#).

Sponsor a cycling team in support of our Annual Ride to End Homelessness! Join us on October 23 for a community bike ride to raise critically needed funds to support LifeMoves high-impact programs and services. Contact us or click [here](#) for sponsorship packages, event details, and more.

Gather and Game for LifeMoves! Host a game night—or day—fundraiser. Play familiar games like scavenger hunts and trivia to learn more about local issues or live stream on Twitch on behalf of LifeMoves. Contact us and we'll explain how to donate and play games.

Host a virtual event! Take a deep dive into one aspect of LifeMoves. We package video and first-hand experts together to create an interactive session that will educate and inspire. Deep dive into:

- Feeding 2,000 clients 3 times a day (Meal Program)
- LGBTQ+ Welcoming Shelter
- Veteran's Services
- Partnering with the State of CA Project Homekey
- Family and Children's Services
- Women's Services
- Education Programs
- Employment/Housing Programs
- Safe Parking Programs

We remain mostly virtual with few in-person opportunities available. If you would like to know more about those opportunities, please let us know.
