

Corporate Volunteer Opportunities

Fall 2021

Sponsor a Cycling Team in Support of our Annual Ride to End Homelessness!

Join us on Saturday, October 23rd for a community bike ride to raise critically needed funds to support LifeMoves high-impact programs and services. Contact us or click [here](#) for sponsorship packages, event details, and more.

Volunteer Virtually!

We'll pop into your team meeting or party and provide a LifeMoves overview while remotely instructing your team on how to make a no-sew fleece blanket for our individual and family clients in shelters or assemble nutritious, healthy snack bags for children and young adults in our programs.

Join the Team for the LifeMoves Virtual Benefit Event with Steve Kerr!

Your organization can jump in to become an event sponsor for our Virtual Benefit Breakfast event scheduled for Thursday, September 23rd at 8:00 AM. Help us raise \$1 million in direct support of our critically needed programs and services. For more information about the event and to get registered, click [here](#).

Host a virtual event!

Take a deep dive into one aspect of LifeMoves. We package video and first-hand experts together to create an interactive session that will educate and inspire. Deep dive into:

LGBTQ+ Welcoming Shelter

Veteran's Services

Partnering with the State of CA Project Homekey

And Many More!

We remain mostly virtual with few in-person opportunities available. If you would like to know more about those opportunities or any of the ones listed above, please contact Stefanie Bruggeman at sbruggeman@lifemoves.org.
